## Body Scrub Rituals

Just as a diamond needs to be polished to reveal its beauty, our skin needs to be purified. From the gentle nourishment of the most delicate avocado to the strength of the most resilient thermal salts, there is a jewel of nature to renew and revitalise every skin type. Reconnect with the velvety softness of your skin.

### Thermal Salts

Deeply renewing and energising exfoliating treatment that uses the mineralising power of gems and thermal salts to eliminate dead cells and impurities with a unique touch of freshness. Very effective for vitalising dry or very dry skin.

**SUPER STRONG  
MINERALISING  
20 - 30 MIN**

### Charcoal

Free yourself from toxins with this treatment based on organic mud, charcoal and volcanic sand that purifies, smoothes and intensely remineralises the skin. Designed for people who live in urban environments and need extra detoxification for smooth, even skin.

**STRONG  
DETOXIFYING  
20 - 30 MIN**

### Orange & Apricot

Antioxidant and regenerating treatment thanks to the vitamin-rich properties of orange and apricot. Reveal your skin's true radiance with this breath of revitalising air with an exquisite scent. Ideal for all skin types.

**MEDIUM  
ANTI-OXIDANT  
20 - 30 MIN**

### Sesame & Avocado

Feel how the creaminess of the avocado envelops your whole body with nourishment, gentleness and softness. Delicate exfoliating treatment with sesame particles that gently dissolve dead cells. Especially suitable for fine and sensitive skin with a tendency for dryness.

**SOFT  
NOURISHING  
20 - 30 MIN**
